

# Don't Die Young, Don't Get Old

## Little Big Town

They say there's a light at the end of the tunnel  
But we're living on sweet dreams and neon signs  
We can run but there ain't no escaping the trouble  
It might get us in the end but it ain't gonna get us tonight  
Hey, gonna shine like gold  
Take every turn on the winding road  
Give me your hand, baby, don't let go  
Don't die young, don't get old  
Don't die young, don't get old  
Keep every promise and hold on till forever  
Keep stealing my heart like we ain't on borrowed time  
Not a thing in the world that we can't make it through together  
So, even if tomorrow gives us a mountain to climb, mountain to climb  
I say  
Hey, gonna shine like gold  
Take every turn on the winding road  
Give me your hand, baby, don't let go  
Don't die young, don't get old  
Don't die young, don't get old  
When the stars in the sky shine, their heavenly light on the river  
I'll stand by your side, even if the water is cold  
And we'll shine like gold, shine like gold  
Even in the dark, gonna shine like gold  
Shine like gold, shine like gold  
Even when we're old, gonna shine like gold  
Hey, gonna shine like gold  
Take every turn on the winding road  
Give me your hand, baby, don't let go  
Don't die young, don't get old  
Don't die young, don't get old  
Don't get old  
Hey, gonna shine like gold  
Take every turn on the winding road
