

# No Sensitive Man

[Haley Bonar](#)

Don't you love a man who cries?  
(can't find any of them)  
He falls all over everything you write  
(can't find any of them)  
Once, you loved his hippie ways  
and now you want to  
cut off all his hair  
see what he's made of  
wipe his tears away  
cause you know that he will stay  
and you can get away with anything these days  
we can get away with  
anything these days  
I don't want no sensitive man  
I don't wanna talk  
Just shut your eyes and play me something good  
I don't wanna talk at all  
Just let the record spin  
and I'll punch you in the back  
cause you won't put up a fight  
I have all the strength you lack  
and I can get away with anything these days  
we can get away with anything these days
