Roxy

Rivera, Robbie

All the young dudes
Feathered and possessed
A sparkling sequined mess
So special and so eloquent, Heaven sentWhat I meant to say is
Of all the sounds I hear
With my humble human ear
None are as delicious or nutritiousOh Roxy, you're my Maggie May
More beautiful tonight
Than you ever were back in the day
Oh Roxy, your golden boys
Make a beautiful noise after all these years
You still bring tears to my eyesSweeter sounds
From space were never heard
Or a perfect turn of word
Like a whirlwind, you blow in again and all the songsHave been in my head and heart for so long
It's like listening to a kiss
Oh, you'll never know just
How very much we missed you, dearestOh Roxy, you're my Maggie May
More beautiful tonight
Than you ever were back in the day
Oh Roxy, your golden boys
Make a beautiful noise after all these years
You still bring tears to my eyesOh Roxy, you're my Maggie May
More beautiful tonight
Than you ever were back in the day
Oh Roxy, your golden boys
Make a beautiful noise after all these years
You still bring tears to my eyesOh Roxy, you're my Maggie May
More beautiful tonight
Than you ever were back in the day
Oh Roxy, your golden boys
Make a beautiful noise after all these years
You still bring tears to my eyes
