

# Roxy

## Rivera, Robbie

All the young dudes  
Feathered and possessed  
A sparkling sequined mess  
So special and so eloquent, Heaven sent  
What I meant to say is  
    Of all the sounds I hear  
    With my humble human ear  
None are as delicious or nutritious  
Oh Roxy, you're my Maggie May  
    More beautiful tonight  
    Than you ever were back in the day  
    Oh Roxy, your golden boys  
    Make a beautiful noise after all these years  
    You still bring tears to my eyes  
    Sweeter sounds  
    From space were never heard  
    Or a perfect turn of word  
Like a whirlwind, you blow in again and all the songs  
Have been in my head and heart for so long  
    It's like listening to a kiss  
    Oh, you'll never know just  
How very much we missed you, dearest  
Oh Roxy, you're my Maggie May  
    More beautiful tonight  
    Than you ever were back in the day  
    Oh Roxy, your golden boys  
    Make a beautiful noise after all these years  
    You still bring tears to my eyes  
    Oh Roxy, you're my Maggie May  
    More beautiful tonight  
    Than you ever were back in the day  
    Oh Roxy, your golden boys  
    Make a beautiful noise after all these years  
    You still bring tears to my eyes  
    Oh Roxy, you're my Maggie May  
    More beautiful tonight  
    Than you ever were back in the day  
    Oh Roxy, your golden boys  
    Make a beautiful noise after all these years  
    You still bring tears to my eyes
