(i Can't Handle) Moderation

Danko Jones

When the going gets tough
It'll never be enough
Put too much in front of me
And I'll be wanting more stuff
I need a lesson in self control
Can you make that stick?
If you even try to
I really couldn't give a shit
I can't handle moderation
I can't take just one bite
I can't handle moderation
You give an inch while I'm taking a mile
I can't handle moderation
I never get satisfied
I can't handle moderation
They made me see somebody
'Cause they said I got a lot of problems
I don't think I'm too far down
I haven't hit rock bottom
Don't just stand there say something
Like it doesn't really matter
I think something's broken
'Cause nothings getting better
I can't handle moderation
I can't take just one bite
I can't handle moderation
You give an inch but I'm taking a mile

I can't handle moderation
I never get satisfied
I can't handle moderation
Just when I think I'm getting closer
Something gets in the way and I start over
And I know what I've got to do
But I'm always getting screwed
If you could see what I go through, you know
I've reached my breaking point
I'm about to snap
Don't try to calm me down

Unless you wanted a slap
I know I broke my promise
But I've paid my dues
You want me to take it slow
But I don't want to
No, I don't want to 'cause
I can't handle moderation
I can't take just one bite
I can't handle moderation
You give an inch but I'm taking a mile
I can't handle moderation
I never get satisfied
I can't handle moderation
I can't handle moderation
I can't handle moderation
I can't handle moderation
