

Lifetime - Uncut

Maxwell

I was reborn when I was broken
I wouldn't believe
I wouldn't believe
(no)
Been through a storm, with no use in hopin'
That you would come rescue me
Somehow your love set me free
Now I, I can let my life pass me by
Or I can get down and try
Work it all out this lifetime
Work it on out this time
I can let it all pass me by
Or I can get down and try
Work it all out this lifetime, lifetime
There was a time when love wasn't chosen
And now I'm just gonna beg for more
Now I'm just reachin' out for somethin'
better than I had before, girl
That aint about a "mine or your" world
Now I, I can let my life pass me by
Or I can get down and try
Work it all out this lifetime
Work it on out this time
I can let it all pass me by
Or I can just try and try
I could move to the light
Oh, if I take one day at a time
Oh, spread my love out and fly
(oh, i could move to the light)
Ooh, if I could just make you understand
that love is not a fairytale anymore with me
If you want it you can have it girl, maybe you will see
Maybe you will see
Oh, wah-wah-wah, oww
Lifetime, lifetime
Now I, I can let my life pass me by
Or I can just try and try
Work it all out this lifetime, lifetime
I can let it all pass me by
Or I can just, alright now
(lifetime, lifetime)

(I can let my life pass me by)
Work it all, oooh
(I can let my life pass me by)
There's no way, there's no way,
I won't leave, I won't leave
(lifetime, lifetime)
(i can let my life pass me by)
Listen up, baby
(lifetime, lifetime)
