

# Mama Didn't Raise No Fool

## MAGIC!

Woah (Oh)  
Eh (Oh)Mama says love is once in a lifetime  
How you gonna find love and nights for the one time  
See the thing about me, it's just not the right time  
My mama says, "Son, you can't fight the sunshine"I did not go, here tonight  
To be struck by your light  
But here I stand in your ?  
Should I stay, should I go?I want to run, I want to run from you  
Mama didn't raise no fool  
Mama didn't raise no fool  
I want to run, I want to run from you  
Mama didn't raise no fool  
Mama didn't raise no foolWoah (Thank you mama, thank you mama)  
Eh (Thank you mama, thank you mama)Mama says, "Lately I don't recognize you  
But if this is who you want to be you've got the right to"  
(You buried your heart so guilt could never find you)  
Mama says, "Love will find the boy that I knew"I did not come, here tonight  
To be brought back to life  
But here I stand in my greed  
Second chance is your nameI want to run, I want to run from you  
Mama didn't raise no fool  
Mama didn't raise no fool  
I want to run, I want to run from you  
Mama didn't raise no fool  
Mama didn't raise no foolI loved you since I said, "Hello"  
I need you much more than I know  
I did not come, here tonight  
To be struck by your light  
But here I stand in your ?  
Should I stay or should I go?I want to run, I want to run from you  
Mama didn't raise no fool  
Mama didn't raise no fool  
I want to run, I want to run from you  
Mama didn't raise no fool  
Mama didn't raise no foolMama didn't raise, mama didn't raise, no  
Mama didn't raise no fool  
Mama didn't raise, mama didn't raise, no  
Mama didn't raise no fool  
Mama didn't raise, mama didn't raise, no

Mama didn't raise no fool  
Mama didn't raise, mama didn't raise, no  
Mama didn't raise no fool  
Mama didn't raise, mama didn't raise, no  
Mama didn't raise no fool  
Mama didn't raise, mama didn't raise, no
