Communication

The Ting Tings

Whatcha gonna do with a mobile phone?
Give it away, give it back when ya know, ya know
I don't even care where you've been
You don't need to say anythin'[CHORUS]
Don't you know that
I've got communication
Oh, I've

I've got communicationna na na na na na na

na na

na na na na na na She could be the other side of the wall
You could be in the middle of nowhere
But I don't know the size or the words
And I just turn the light off and go there[CHORUS]I'm not with it and you're not with it
But I know that I know
You're not with me and I'm not with you
But I know that you know
