I'm Sorry

Bo Diddley

I'm sorry, oh, I'm sorry
Oh baby, I'm sorry for the things I said to youYou know I love you, you know I care
With you, my new heart I want to share
Darling, I need you with all your heart and soul
To know that I want you and I'll never, never let you goBut forgive me, please forgive me
Please forgive me for I knew not what I was sayin'Come on little baby, come on, darling
Give me another chance to make up on my wrong
You know that I love you, you know I'll put nobody else above you
Come on, come on, say that you'll love me
