

# Wait A Minute

## The Pussycat Dolls

Everybody listen all over the world  
I got a story 'bout my favorite girl  
(Wait a minute)

Oh, my baby sexy for sure  
I had to have him when he walked through the door  
(Wait a minute)

She was 'bout to drive me insane  
She comes with drama while I'm giving her chains  
(Wait a minute)

I'm focused, but I'm losing control  
He only wants me for my body zone  
(Wait a minute)

[Chorus]

Girl, why you do me like that?  
You take all my money  
Can't even call a player back  
(Wait a minute)  
Boy, why you tripping like that?  
You think 'cause you tricking you get it just like that?  
(Wait a minute)

Minding my business  
I was doing my dance  
Got my attention, so I gave him a chance  
(Wait a minute)

Did I mention he was buying a bar?  
Gave him my number  
He was trying so hard  
(Wait a minute)

Bought me some things I didn't want, didn't need  
Dropped down his jeans like I'm supposed to drop to my knees  
(Wait a minute)

He been blowing up my phone like he know me  
Been leaving messages (You know what you owe me)  
(Wait a minute)

[Chorus x 2]

What is your problem, daddy?  
Slow your roll  
Who you think you jiving?  
You're disturbing my flow  
(Wait a minute)  
Why you be bugging  
Like I'm some kind of ho?  
Got no more questions, and I want you to go  
So break  
(Break)

Hey, let me talk to you for a minute  
Shut up  
Shut up

I love the way you strut  
Girl, you already know  
But I'm feeling like you don't want me  
You just after my dough

Baby, please, I'm fine  
I'm not one of these hos  
Chasing dreams and diamond rings  
So don't call me no more  
(Wait a minute)

[Chorus x 2]

See, I don't want your money  
Yeah, I've seen you rolling up here  
In your Cadillac  
But I don't need all that  
It is a nice color though  
(Wait a minute)

What they call you, Mr.?  
Tin man or something?  
See, I don't want your cars  
I don't want your jewelery  
You can't buy this  
So you can keep that  
Wait a minute  
Uh yeah, you can give me that back
