

Mine (Jason Nevins Radio Edit)

Taylor Swift

Oh, oh, oh
Oh, oh, oh You were in college, working part-time, waiting tables
Left a small town, never looked back
I was a flight risk, with a fear of fallin'
Wondering why we bother with love, if it never lasts I say, "Can you believe it?"
As we're lyin' on the couch
The moment, I can see it
Yes, yes, I can see it now Do you remember, we were sittin', there by the water?
You put your arm around me for the first time
You made a rebel of a careless man's careful daughter
You are the best thing, that's ever been mine Flash forward, and we're takin' on the world together
And there's a drawer of my things at your place
You learn my secrets and you figure out why I'm guarded
You say we'll never make my parents' mistakes And we got bills to pay
We got nothin' figured out
When it was hard to take
Yes, yes
This is what I thought about Do you remember, we were sittin' there, by the water?
You put your arm around me, for the first time
You made a rebel of a careless man's careful daughter
You are the best thing, that's ever been mine Do you remember all the city lights on the water?
You saw me start to believe, for the first time
You made a rebel of a careless man's careful daughter
You are the best thing, that's ever been mine Oh, oh, oh, oh And I remember that fight, two-thirty a.m.
'Cause everything was slipping right out of our hands
I ran out, crying, and you followed me out into the street Braced myself for the goodbye,
'Cause that's all I've ever known
Then, you took me by surprise
You said, "I'll never leave you alone" You said, "I remember how we felt, sitting by the water.
And every time I look at you, it's like the first time.
I fell in love with a careless man's careful daughter.
She is the best thing that's ever been mine." You made a rebel of a careless man's careful daughter
You are the best thing, that's ever been mine Do you believe it?
We're gonna make it now
And I can see it (I can see it now)
