

Elevate This Sound (Music Video)

Calyx & TeeBee

It had to be now
or never
Cuz' I was going 'round in circles
Lost
Forever
I couldn't have occurred her. It was
All
Or nothing
It was never somewhere in between
Fear
of something
It seems I have unhonored me
Death
Or change
And I could see my life in a river
Lost
Rearranged
I'm glad we've come back together
Now
I've found
The visions in my dreams and the
Music
And sound
It's time to elevate this sound
It's time to elevate this sound
It had to be now
or never
Cuz' I was going 'round in circles
Lost
Forever
I couldn't have occurred her. It was
All
Or nothing
It was never somewhere in between
Fear
of something
It seems I have unhonored me
Death
Or change

And I could see my life in a river
Lost
Rearranged
I'm glad we've come back together
Now
I've found
The visions in my dreams and the
Music
And sound
It's time to elevate this sound
Now
O never
Lost
Forever
All
Or nothing
Fear
Of something
Death
Or change
Lost
Rearranged
Now
I've found
Music
And sound
It's time to elevate this sound
