

# Stay With Me

**Bette Midler**

Where, where did you go when everything went wrong, baby?  
Who did you run to  
To find a shoulder to lay your head upon?  
Baby, wasn't I there?  
And didn't I take good care of you? Oh, no  
I don't believe you're leaving me  
Oh, oh, oh Stay with me, baby  
Stay with me, baby  
Stay with me, baby  
I can't go on Who, who did you touch when, when you needed tenderness, baby?  
I gave you I gave you so much and in return  
I found myself some happiness  
Baby, what did I do? Maybe I was too good, too good to you  
Oh, no, I don't believe you're leaving me  
Oh, oh, oh Stay with me, baby  
Stay with me, baby  
Stay with me, baby Remember, you said you always gonna love me  
Remember, you said you'd never ever leave me  
Remember, remember, I'm asking you, begging you  
Oh, oh, oh, oh, oh Stay with me, baby  
Stay with me, baby  
Stay with me, my baby  
I can't go, oh, on Maybe this time I should be the one to go away  
'Cause honey, ain't it my turn to have somebody  
Grab hold of me and say  
"No, no don't go, you can't go" Stay with me, baby  
Stay with me, baby  
Stay with me, my baby  
I can't go, I can't go, I can't go, oh, on Stay with me, baby  
Stay with me, baby  
Stay with me, baby
