

Donâ€™t deny

Vaya Con Dios

The smiles and the glances
How you measure your chances
Donâ€™t deny
Donâ€™t deny

Strong and pretentious
Blind to my senses
Donâ€™t deny
Donâ€™t deny
Donâ€™t deny me
Donâ€™t taint my heart

You deny my fears
You deny my tears
You deny a tender child
You deny my pride
You think Iâ€™m defenceless
You take me for granted
You think Iâ€™m defenceless
But I will rise above my weakness
You think Iâ€™m defenceless
You donâ€™t deny the sun
The wind on your face
You donâ€™t deny the stars

The lies and the glances
The maddening offences
Donâ€™t deny
Donâ€™t deny
Retreats and advances
We all know the dances
