

# Nobody Compares

## One Direction

(NIALL)

You're so pretty when you cry when you cry

Wasn't ready to hear you, say goodbye

Now you're tearing me apart, tearing me apart

You're tearing me apart(ZAYN)

You're so London, your own style, your own style

We're together it's so good, so girl why

Are you tearing me apart, tearing me apart

You're tearing me apart(HARRY)

Did I do something stupid, yeah girl if I blew it

Just tell me what I did, let's work through it

There's gotta be some way, to get you to want me

Like before(ALL)

'Cause no one ever looked so good

In a dress and it hurts, 'cause I know you won't be mine tonight

No one ever makes me feel like you do when you smile,

Baby tell me how to make it rightNow all of my friends say it's not really worth it, but even if that's true,

No one in the world could stop me from not moving on

Baby even if I wanted to, nobody compares to you.(LOUIS)

We're so Paris when we kissed, when we kissed

I remember the taste of your lipstick

Now your tearing up my heart, tearing up my heart

You're tearing up my heart(HARRY)

Did I do something stupid, Yeah girl if I blew it

Just tell me what I did, let's work through it

There's gotta be some way to get you to want me

Like before(ALL)

'Cause no one ever looked so good

In a dress and it hurts, 'cause I know you won't be mine tonight

No one ever makes me feel, like you do, when you smile,

Baby tell me how to make it rightNow all of my friends say it's not really worth it, but even if that's true

No one in the world could stop me from not moving on,

Baby even if I wanted to,

Nobody compares to youOh Woah- oh oh oh oh oh x3(HARRY)

Nobody compares to youuuuuuuuu.(NIALL)

Theres gotta be some way to get you to want me

Like before...(ALL)

'Cause no one ever looked so good

In a dress and it hurts 'cause I know you wont be mine tonight

No one ever makes me feel like you do when you smile,  
Baby tell me how to make it rightNow all of my friends say it's not really worth it, but even if that's true  
No one in the world could stop me from not moving on,  
Baby even if I wanted to(HARRY)  
Nobody compares to you.
