It's Alright

The Dictators

You ignore me then you adore me
When I think I'm losing faith you restore me
You accuse me then excuse me
Is everything you do meant to confuse me?It's all right, it's all right
One kiss and I feel all right
It's all right, it's all right
One touch and I feel all rightYou criticize and you flatter
I pledge my love to you but it doesn't matter
You're such a bad bad girl
Who thinks she owns this worldYou kick and you scream
You never fight clean
You bring me to my knees
Every time I try to leaveIt's all right, it's all right
One kiss and I feel all right
It's all right, it's all right
One touch and I feel all rightWhen I saw the light
Shining from you
I was totally blinded
Just a shameless foolYou're such a bad bad girl
Who thinks she owns this world
You kick and you scream
You never fight cleanYou bring me to my knees
Every time I try to leaveIt's all right, it's all right
One kiss and I feel all right
It's all right, it's all right
One touch and I feel all right
