Advisory - the following lyrics contain explicit language:

He's an innovator  
Don't care what you give up  
He's one of the ones  
You hate that you love but you can't get enoughSo get your head out your ass now  
Quit wasting my time  
We won't live forever  
So make up your mindSoulcrusher, no other  
Soulcrusher don't give a fuck about youHe's the old unforgiver  
The cold shoulder giver  
He's one of the ones  
You hate that you love but you can't get enoughSo get your head out your ass now  
Quit wasting my time  
We won't live forever  
So make up your mindSoulcrusher, no other  
Soulcrusher don't give a fuck about you  
Soulcrusher, no other  
Soulcrusher don't give a fuck about youFirst we live and then we die  
Cannot get another try  
Everyday we lose tonight  
Nothing matters if it's rightCan I get another life?  
Go through and make it right  
If I had another one  
I don't think I'd give a fuckSo get your head out your ass now  
Quit wasting my time  
We won't live forever  
So make up your mindSoulcrusher, no other  
Soulcrusher don't give a fuck about you  
Soulcrusher, no other  
Soulcrusher don't give a fuck
