

State of the Heart

[Rick Springfield](#)

It's just the state of the heart I'm waiting for you in the state I'm in. I know your name

I told you mine We've stopped and passed the time of day.

You work in town

I work at night That gives us six until seven to work this out. If I seem a little strange it's just the state of the heart I'm waiting here for you in the state I'm in.

You are the moon

I am the sea you pull me in and gaze on down at me.

I was alone

I thought I was immune.

It's good to know the door can still be open wide. If I seem a little strange

it's just the state of the heart I'm waiting here for you in the state I'm in.

It's just the state of the heart I wait in the dark in the state I'm in. We get closer and closer to falling out or falling in I go over and over but I can't change the state this heart is in. If I seem a little strange

it's just the state of the heart I'm waiting here for you in the state I'm in.

It's just the state of the heart You know I wait in the dark in the state I'm in. It's the state of the heart

the state of the heart The state of the heart

the state of the heart The state of the heart

the state of the heart In the state of the heart

the state of the heart.
