How Much Is The Fish?

Scooter

The chase is better the the catchTransforming the tunes

We need your support

If you've got the breath back

It's the first page of the second chapterI want you back for the rhythm-attack

Coming down on the floor like a maniac

I want you back for the rhythm-attack

Get down in full effectI want you back for the rhythm-attack

Coming down on the floor like a maniac

I want you back so clean up the dish

By the way, how much is the fish? How much is the fish?

Here we go, here we go

Here we go again, yeah

Sunshine in the airWe're breaking the rules

Ignore the machine

You won't ever stop this

The chase is better than the catchI want you back for the rhythm-attack

Coming down on the floor like a maniac

I want you back for the rhythm-attack

Get down in full effectI want you back for the rhythm-attack

Coming down on the floor like a maniac

I want you back so clean up the dish

By the way, how much is the fish? How much is the fish?

Yeah

Sunshine in the airCome
