Nothing comes from dreams but dreams  
Still you believe in wonder  
Something happens and it seems  
Like a strike of thunder

Nothing comes from love but love  
Why is it growing stronger?  
I am falling from above  
I will wait no longer

Iâ€™m like a butterfly  
Spinning round a sword as if to dare  
I should have stayed up high  
(Itâ€™s stronger than me) My gravity, my gravity

Heyâ€| shaâ€|  
Ah yeahâ€| leleâ€|  
Seeâ€| leleâ€|

Nothing comes from pride but pride  
Mmhâ€| my way is clear  
Dancing on the edge tonight  
Now I feel no fear

Iâ€™m like a butterfly  
Spinning round a sword as if to dare  
I should have stayed up high  
(Itâ€™s stronger than me) My gravity, my gravity

Iâ€™m like a butterfly (My gravity)  
Iâ€™m like a butterfly  
And I should have stayed up high  
(Itâ€™s stronger than me) My gravity, my gravity

Gravity
