

The Enemy Inside

Six Feet Under

It gained control of me
The dark side of my mind
This hollow shell
A body with no soul Feeding on me
Growing inside
This parasite Dormant within
Now, it's alive
It came to life Feeding on me
Growing inside
This parasite Dormant within
Now, it's alive
It came to life With each breath I take
I feel the pain
It has a hold on me
The thoughts I think Deep within my body
Eating me from inside
I can't control
This other self The enemy
The enemy
The enemy
Inside of me Feeding on me
Growing inside
This parasite Dormant within
Now, it's alive
It came to life Feeding on me
Growing inside
This parasite Dormant within
Now, it's alive
It came to life Separate from myself
Actions without thoughts
In constant agony
Distortion of reality Alternate emotions
Now, come to life
My soul asleep
Unconscious but awake The enemy
The enemy
The enemy
Inside of me Feeding on me
Growing inside

This parasiteDormant within
Now, it's alive
It came to lifeFeeding on me
Growing inside
This parasiteDormant within
Now, it's alive
It came to lifeIt gained control of me
The dark side of my mind
This hollow shell
A body with no soulWith each breath I take
I feel the pain
It has a hold on me
The enemy inside
