

# I Love the Winter Weather

Tony Bennett

I love the winter weather  
So the two of us can get together  
There's nothing sweeter, finer  
When it's nice and cold I can hold my baby closer to me  
And collect the kisses that are due me  
I love the winter weather  
'Cause I've got my love to keep me warm I love the winter weather  
So the two of us can get together  
There's nothing sweeter, finer  
When it's nice and cold I can hold my baby closer to me  
And collect the kisses that are due me  
I love the winter weather  
'Cause I've got my love to keep me warm  
I've got my love to keep me warm The snow is snowing, the wind is blowing  
But I can weather the storm!  
What do I care how much it may storm?  
I've got my love to keep me warm  
I can't remember a worse December  
Just watch those icicles form!  
What do I care if icicles form?  
I've got my love to keep me warm  
Off with my overcoat, off with my glove  
I need no overcoat, I'm burning with love!  
My heart's on fire, the flames grow higher  
But I can weather the storm!  
What do I care how much it may storm?  
I've got my love to keep me warm Off with my overcoat, off with my glove  
I need no overcoat, I'm burning with love!  
My heart's on fire, the flames grow higher  
But I can weather the storm!  
What do I care how much it may storm?  
I've got my love to keep me warm
