

I'd Cry Like a Baby

[Dean Martin](#)

I'd cry like a baby if you told me goodbye
I'd feel like a snowball on the fourth of July
If you ever said you were leaving for good
I'd weep like a weeping willow, honest I wouldI'd cry like a baby with a busted balloon
I'd let out a wail that would be heard to the moon
Our love was so splendid, don't end it so soon
Don't leave me here sighing, sobbing and a-sighing
Crying like a baby for youI'd cry like a baby if you told me goodbye
I'd feel like a snowball on the fourth of July
If you ever said you were leaving for good
I'd weep like a weeping willow, honest I wouldI'd cry like a baby with a busted balloon
I'd let out a wail that would be heard to the moon
Our love was so splendid, don't end it so soon
Don't leave me here sighing, sobbing and a-sighing
Crying like a baby for you
