

The Factory

Little Green Cars

you're like a target
and i've missed it
it's not the hole that you dig
but what goes in it you suck the poison out
but then you kiss me
you take the clues all away
to keep some mysteryjesus
mary
mother of god
i'm alive again
i'm alive again
i'm coming home soon
did you miss me
and has anything changed
in its bleak beautydid your birds turn to bats
how's the factory
did the assembly line stop
keep running smoothlyjesus
mary
mother of god
i'm alive again
jesus
mary
mother of God
i'm alive again
