

Groundhog Day (Damn the Piper)

Swearing At Motorists

Damn the piper
Damn the season
Damn the way we defy reason
Damn this song I'm damned to sing
Damn the way this phone won't ring (2x)Tired of waiting
Tired of trying
Tired of feeling our love is dying
Tired of living this way
Tired of all the crazy things you say (2x)Someone like you can't love someone like me
I don't know who you think I might be
What is someone like you?
What is someone like me?Damn the piper
Damn the season
Damn the way we defy reason
Damn this song i'm damned to sing
Damn the way this phone won't ring (2x)Someone like you can't love someone like meI don't know who you
think I might be
What is someone like you?
What is someone like me?
(repeats)
