

Remember (Roby K & Flashtech R

BT

I know how you feel
I'm feeling it too
I hold my heart, I dream of you
I see your face, I feel it too
Searching skies
I need you
I miss youTake this and hold
My love for you
In separate times we think as two
In paradise I'll drown in you
Still searching skies
I need you
I want youI know how you feel
I'm feeling it too
I hold my heart, I dream of you
I see your face, I feel it too
Searching skies
I need you
I miss youTake this and hold
My love for you
In separate times we think as two
In paradise I'll drown in you
Still searching skies
I need you
I want youI love you, love you
I love only you, love you
Remember me near
There may be times when it's not right
For me to be there
But remember me near
Remember me near
There may be times when it's not right
For me to be there
But remember me nearSearching for strength
Can I face this day?
Blinded by your love we stay
You're always there - you're in my head
Still chasing skies
I need you

Oh, I miss you Just love you, only you, only you I love you, I love you
I love only you, love you Remember me near
There may be times when it's not right
For me to be there
But remember me near
Remember me near
There may be times when it's not right
For me to be there
But remember me near
