Nil

Islands

I've been drifting
I've been drinking too much
Been thinking I'm not thinking
Clearly enoughAre there two of me?
It feels like there are two of me
One is my enemy and
One's sent to deliver meWhen I'm drowning
I like drowning alone
Don't need no one to tell me
To pull up the ropeI can't have only one
No I can't just have only one
It's all or none none
Now you know that it's true
So you,
Leave nil for meI'll do different things
But I like them all
Blue is beautiful
Curl up in a ballAnd don't feel anything
I Don't want to feel anything
It's more than feeling
And it's more than the real thingAre you impressed
With how depressed I've become
Better get your angels
To go bang on a drumBut they don't recognize me
They Don't seem to recognize
I was baptized but they
Bared no mind
So you,
Leave nil for me
Leave nil for me
Please,
Keep it away from me
Keep it away from me
