

You Ain't Gotta Worry

[Tynisha Keli](#)

Think I seen you first back in '94
Use to live up on the same floor
But we ain't never met before
Until a decade later in my elevator
When you turned my way to say hi
I never chased a man before
That's why I got you (?)
Glad you knocked on my door
'Cuz now we got to dating
No more hesitating
Never felt this way in my lifeCuz you're the only one who knew me
I know I'm kinda hard to figure out
If I don't got you in life I'm lonely
And you know how to work my drama out
That's why I'm always going to be your shawty
I don't need more time to fill you out
I know you're the one for me
(?) bust yo gun for me
I want you to know somethin'Now when these guys tryna holla at me
I don't holla back
You the only one that I need
See I won't cheat behind your back
I don't get down like that
You ain't gotta worry about me
I know you thought you'd never find her
Baby Ima Ride Or Die For You
I'm on your team
Cuz now of days you can never tell
Who's always gon be there
You ain't gotta worry bout
Ain't gotta worry about meI've only known love for what's more
I'm a veteran, two tours
No purple hearts, baby just yours
It's better than awards or metals
Baby you and me settle in the score together
And I've known you've been hurt before
Baby I've been hurt before
But we ain't gotta hurt no more
I've never been so sure, not ever

Boy your everything
I don't even have to settle at all Because baby you complete my story
I can't believe this life I'm living now
See happy never tried to know me
And you've introduced me to it now
That's why I'm always gonna be your shawty
I don't need no more time to fill you out
I know that your the one for me
(?) bust yo gun for me
I want you to know somethin' Baby when these guys tryna holla at me
I don't holla back
You the only one that I need
See I won't cheat behind your back
I don't get down like that
You ain't ever gonna worry about me
I know you thought you'd never find her
Baby Ima Ride Or Die For You
I'm on your team
Cuz now of days you can never tell
Who's always gon be there
You ain't gotta worry bout
Ain't gotta worry about me Cuz no matter whatever I'm going through
Ima always do what I'm 'pose to do
I don't care what the last one choose to do
(You ain't never gotta worry about me)
'Cause I just love being close to you
And jumping in the ride getting close with you
I'll hold your (?) for you
You ain't ever got to worry bout me baby When these guys try to holla at me
I don't holla back
You the only one that I need
See I won't cheat behind your back
I don't get down like that
You ain't ever gonna worry about me
I know you thought you never find her
Baby Ima Ride Or Die For You
I'm on your team
Cuz now of days you can never tell
Who's always gon be there
You ain't gotta worry bout
Ain't gotta worry about me When these guys try to holla at me
I don't holla back
You the only one that I need
See I won't cheat behind your back
I don't get down like that,

You ain't ever gonna worry about me
I know you thought you never find her
Baby Ima Ride Or Die For You
I'm on your team
Cuz now of days you can never tell
Who's always gon be there
You ain't gotta worry bout
Ain't gotta worry about
Ain't gotta worry about me
