

Party All Day (Fuck All Night)

Steel Panther

When I was only three,
my mom said to me,
"Don't go screwin' with a skanky ho,
or you're gonna get VD" When I was seventeen,
I boned a kooky bitch
A couple days later, my balls swelled up,
And my crotch began to itch But that's when I totally knew,
What God wanted me to do,
Whooooaa! Whoa, ohhh, oh oh, hey, hey, hey!
Fuck all night, and party all day!
Whoa, ohhh, oh oh, hey, hey, hey!
Fuck all night and party... All day (Check it out)
Now I'm in a bitchin' band,
and I'm banging every night
I don't care if she's a trailer ho,
and she's got three freakin' eyes. I get up in the afternoon,
'cuz I ain't got a stupid job
I drink some beer and I watch cartoons,
while the slut polishes my knob Smoke and drink and screw,
That's what I was born to do,
Whooooaaa! Whoa, ohhh, oh oh, hey, hey, hey!
Fuck all night, and party all day!
Whoa, ohhh, oh oh, hey, hey, hey!
Fuck all night and party... All day Now God's looking down on me,
saying, "Hey man, way to be!" (?) Whoa, ohhh, oh oh, hey, hey, hey!
Fuck all night, and party all day!
Whoa, ohhh, oh oh, hey, hey, hey!
Fuck all night and party... All day Fuck fuck fuck yeah,
Fuck yeah!... Fuck yeah, dude.
