

Earn Enough for Us

XTC

I've been praying all the weeks through
At home, at work and on the bus
I've been praying, I can keep you
And to earn enough for us I can take humiliation
And hurtful comments from the boss
I'm just praying by the weekend
I can earn enough for us Found a house that won't repair itself
With its windows cracking
And a roof held together with holes Just because we're on the bottom of the ladder
We shouldn't be sadder than others like us
Who have goals for the betterment of life
Glad that you want to be my wife but honest I've been praying all the weeks through
At home at work and on the bus
I've been praying I can keep you
And to earn enough for us So you're saying that we're going to be three
Now, a father's what I'll be, don't get me wrong
I'm so proud but the belt's already tight
I'll get another job at night but honest I can take humiliation
And hurtful comments from the boss
I'm just praying by the weekend
I can earn enough for us Just because we're on the bottom of the ladder
We shouldn't be sadder than others like us
Who have goals for the betterment of life
Glad that you want to be my wife but honest I can take humiliation
And hurtful comments from the boss
I'm just praying by the weekend
I can earn enough for us, I can earn enough for us
