Cherish

Barry Manilow

Cherish is the word I use to describe
All the feeling that I have hiding here for you inside
You don't know how many times I've wished that I had told you
You don't know how many times I've wished that I could hold you
You don't know how many times I've wished that I could mold you
Into someone who could cherish me as much as I cherish you
Perish is the word that more than applies
To the hope in my heart each time I realize

That I am not gonna be the one to share your dreams
That I am not gonna be the one to share your schemes
That I am not gonna be the one to share what seems to be
The life that you could cherish as much as I do yours
Oh, I'm beginning to think that man has never found
The words that could make you want me
That have the right amount of letters, just the right sound
That could make you hear, make you see
That you are driving me out of my mind
