

# Fight The Feeling

## The Music

I've been waiting  
Searching, lonely  
Take me walking  
Underneath the stars  
Love is here  
No end  
They'll hold us here forever  
Just you wait and see  
The sky is just a diamond  
Reflecting the sea  
Darkness edging closer to me  
Talk to no-one  
Tell them nothing  
Fight the feeling  
Don't you bear your soul  
Love is here  
No end  
They'll hold us here forever  
Just you wait and see  
The sky is just a diamond  
Reflecting the sea  
Die, die  
Oh  
Love is here  
No end  
They'll hold us here forever  
Just you wait and see  
The sky is just a diamond  
Reflecting the sea  
They'll hold us here forever  
Just you wait and see  
The sky is just a diamond  
Reflecting the sea
