

Live Forever

Danko Jones

(1) My baby puts me in my place Get up, get down, she's all around It ain't a question of her taste Been gettin' up, keeping the pace up (Pre-) There can be no other!

Baby's sweet like butter (1) We gotta live forever So we can be together And I won't let her go (2) My baby takes her time each day She likes it just the ways she says Don't care how long it's gonna take She needs a seat, she's got my _____(?) (Pre-) There can be no other!

She's my only lover (Guitar solo) (Bridge) Do it now, set it down (?!?) Everybody's learning how Do it now, set it down (?!?) Everybody's learning how My baby, my baby, my baby My baby, my baby puts me in my place
