

What A Difference You've Made

[Amy Grant](#)

What a difference you've made in my life
What a difference you've made in my life
You're my sunshine day and night
Oh, what a difference you've made in my life What a change you have made in my heart
What a change you have made in my heart
You replaced all the broken parts
Oh, what a change you have made in my heart Love to me was just a word in a song
That had been way overused
But you gave love a meaning
So I joined in the singing
That's why I wanna spread the news What a difference you've made in my life
What a difference you've made in my life
You're my sunshine day and night
Oh, what a difference you've made
(What a difference you've made)
What a difference you've made in my life What a difference you've made in my life
What a difference you've made in my life
You're my sunshine day and night
What a difference you've made (What a difference you've made in my life)
What a difference you've made in my life
(What a difference you've made in my life)
Difference you've made in my life
(You're my sunshine day and night)
What a difference you've made (What a difference you've made in my life)
Difference you've made in my life
(What a difference you've made in my life)
You're my sunshine day and night
What a difference you've made (What a difference you've made in my life)
You've made a difference in me
(What a difference you've made in my life)
You've made a change in my life
(You're my sunshine day and night)
