# When It's Love

## Immature

Yeah yeah, baby, oh
Yeah yeah yeah, oh yeah yeahI love you, you know it
I ain't too proud to show it when it's loveWhat will I do for love? My love is real
Girl you know, you know, you know you knock me out, yeah
You give me good love without a doubt
No one can tell us what to feel insideI love you, you know it
I ain't too proud to show it when it's love
I love you, you know it
I ain't too proud to show it when it's loveYou're so understandin' my friend
There through think 'n' thin, so girl let's not pretend
Whose to say what's write or wrong, oh
Our love is strong, our love is strong, it's onI love you, you know it
I ain't too proud to show it when it's love
I love you, you know it
I ain't too proud to show it when it's loveGirl you know you knock me out without a doubt
Nothing on my mind but you 'cause your my boo, my boo, my boo
You're so understandin' my friend through the end
Through think 'n' thin so don't pretend
So don't front on my love 'cause I get deep in loveI love you, you know it
I ain't too proud to show it when it's love
I love you, you know it
I ain't too proud to show it when it's loveI love you, you know it
I ain't too proud to show it when it's love
I love you, you know it
I ain't too proud to show it when it's loveI love you, you know it
I ain't too proud to show it when it's love
I love you, you know it
I ain't too proud to show it when it's love
