Five

Lamb

Yeah yeah yeah I've seen it all
Yeah yeah yeah I've heard it all
J.P wants to rock, not at five o'clock he's not
There's a medal in the kitchen for catching early worms
Yeah yeah yeah you're gonna bet
Yeah yeah you're gonna learnDon't bother waking me at 5 in the morning
'Cause I don't want to know
Don't bother waking me at 5 in the morning
'Cause I don't want to knowStevie knows that it ain't dead
Yeah Farmer uncle still in bed
M.A.C. was born to rock, there's not a moment that he's not
"A" communication, illin' in my sleep
Yeah yeah yeah yeah yeah yeah yeah I lost count of my sheepDon't bother waking me at 5 in the morning
'Cause I don't want to know
Don't bother waking me at 5 in the morning
'Cause I don't want to knowNever, never looking back, never falling off the track
Never clocking late for work, 'cause rocking pays the bills
So I don't need no education
I don't need any sleep
Yeah yeah yeah yeah I never need to set my "series 3"Don't bother waking me at 5 in the morning
'Cause I don't want to know
Don't bother waking me at 5 in the morning
'Cause I don't want to know
Don't bother waking me at 5 in the morning
'Cause I don't want to know
Don't bother waking me at 5 in the morning
'Cause I don't want to know
