## Color Me Badd

Oh, ah  
Oh, yeah, CMB, Once again it's on folks  
Ah yeah, Sexual, exoticness  
One time for your mind  
Two times for your soul  
And this is J.B. ha, ha, ha  
Come on, it's like, Come on it's like  
Yeah! let'em know  
You're all alone  
I bet you're thinking to yourself  
Why your thighs  
Are sitting there by themselves  
You're the kind of girl  
To call me up and over coming fly  
And it don't intimidate me  
Your body is so slamming  
Girl I can't grab control  
'Cause I'll be grabbing everything soft. Ooh  
It's just so nice to kick it with someone who's sexuality  
Says nothing but can I get you off  
And I said  
Any day an night, anywhere is right, back of my jeep  
When I get you from the back, baby (back baby, yeah!)  
There's more cushion for the pushin' from the back  
If I get you back tonight  
If I get ya' back tonight  
I wanna' make you come faster, faster  
I wanna' ride you to, here and after  
From the back  
Yo, ho ho ho (on the real deal)  
I think it's time for you and me to make love, (yeah, it's about that time)  
Wild and wet fantasy  
When were playing doctor baby I'll be Mister Freaky M.D  
I'll get your free full body examination, like the way the doctor suppose to be  
'Cause' baby you've got somethin'- somethin' so right (oh ya!)  
I can get so-oh, into you  
Pretty back, back, front of me  
You better grab, grab, hold on to me  
Hold on to something to tight

'Cause I am about to give you something right  
You say you're just thinking about it  
How it makes you loose control (loose it baby, loose it baby)  
But pretty soon you'll be sittin' wet in your seat  
Hey baby that's OK, I'll just come over and see (come on, come on)  
Soak it up, soak it up, sponge it up  
You can take a mike check on me. (yeah, baby)  
Any day an night, anywhere is right, back of my jeep  
When I get you from the back, baby (back baby, yeah!)  
There's more cushion for the pushin' from the back  
If I get you back tonight  
If I get ya' back tonight  
I wanna' make you come faster, faster  
I wanna' ride you to, here and after  
From the back  
Any day an night, anywhere is right, back of my jeep  
When I get you from the back, baby (back baby, yeah!)  
There's more cushion for the pushin' from the back  
If I get you back tonight  
If I get ya' back tonight  
I wanna' make you come faster, faster  
I wanna' ride you to, here and after  
From the back
