

# One Night With You

## Thieves Like Us

I don't wanna put no chains on you  
I just wanna be here loving you  
'Coz you touch me in the place  
That puts a smile right on my face  
But I don't wanna be holding you  
Baby, only for an hour or two  
I want you with me  
In these arms for all eternity  
I don't wanna to put you under pressure  
I just wanna spend some time together  
So baby, if it's just for one night  
Give me just one night with you  
Every day of your life  
One kiss every morning  
After a hundred kisses each night  
Give me just one night with you  
Everyday for all time  
It would be so right  
Every day to have just one night with you  
Love the things you say, the way you move  
I'd love to stay here making love with you  
'Coz you're just so good to hold  
And you've wrapped your arms around my soul  
Come on and take this heart of mine  
You can have it till the end of time  
I want you to be part of every single part of me  
I don't mean to put you under pressure  
I just wanna have your love forever  
So baby, if it's just for one night, one night

Give me just one night with you  
Every day of your life  
One kiss every morning  
After a hundred kisses each night  
Give me just one night with you  
Everyday for all time  
It would be so right  
Every day to have just one night with you  
Baby, give me your kisses for a lifetime

Baby, show me your smiling face each day, girl  
Baby, hold me in your heart forever  
'Coz I need you by my side  
And I won't be satisfied  
Give me just one night with you  
Every day of your life  
One kiss every morning  
After a hundred kisses each night  
Give me just one night with you  
Everyday for all time  
It would be so right  
Every day to have just one night with you  
Give me just one night with you  
Every day of your life  
One kiss every morning  
After a hundred kisses each night  
Give me just one night with you  
Everyday for all time  
It would be so right  
Every day to have just one night with you  
Baby, baby, baby
