

Carries On

Edward Sharpe & The Magnetic Zeros

One love, One love
Carries on
One Touch, one touch
Carries on
One look, one look
Carries on[Chorus]
One Smile
When can you give me, when can you give me
Touch me
Can you give me, oh can you give me
Love me
Come and give me, oh can you give me some
Of the gift that carries on One word, one word
Carries on
One smile, one smile
Carries on
One love, one love
Carries on[Chorus x2]
