

# PRIDE.

## Kendrick Lamar

[Intro: Steve Lacy]

Love's gonna get you killed  
But pride's gonna be the death of you and you and me  
And you and you and you and me  
And you and you and you and me  
And you and you and you and me andâ€™[Chorus: Steve Lacy & Kendrick Lamar]  
It wasn't all to share, but there  
In another life, I surely was there  
It wasn't all to share, but there  
I care, I careHell-raising, wheel-chasing, new worldly possessions  
Flesh-making, spirit-breaking, which one would you lessen?  
The better part, the human heart  
You love 'em or dissect 'emSee, in the perfect world, I would be perfect, world  
I don't trust people enough beyond they surface, world  
I don't love people enough to put my faith in men  
I put my faith in these lyrics, hoping I make amend  
I understand I ain't perfect  
I probably won't come around  
This time, I might put you down  
Last time, I ain't give a fuck, I still feel the same now  
My feelings might go numb, you're dealing with cold thumb  
I'm willing to give up a leg and arm and show empathy from  
Pity parties and functions and you and yoursI can't fake humble just 'cause your ass is insecure  
I can't fake humble just 'cause your ass is insecure[Chorus: Steve Lacy & Kendrick Lamar]  
It wasn't all to share, but there  
In another life, I surely was there  
It wasn't all to share, but there  
I care, I careMaybe I wasn't there  
Maybe I wasn't there  
Maybe I wasn't there[Verse 2: Kendrick Lamar]  
Now, in a perfect world, I probably won't be insensitive  
Cold as December, but never remember what Winter did  
I wouldn't blame you for mistakes I made or the bed I laid  
Seems like I point the finger just to make a point nowadays  
Smiles and cold stares, the temperature goes there  
Indigenous disposition, feel like we belong hereThe hurt becomes repetition, the love almost lost that  
Sick venom in men and women overcome with pride  
A perfect world is never perfect, only filled with lies

Promises are broken and more resentment come alive  
See, in a perfect world, I'll choose faith over riches  
I'll choose work over bitches, I'll make schools out of prison  
I'll take all the religions and put 'em all in one service  
Just to tell 'em we ain't shit, but He's been perfect, world [Chorus: Steve Lacy & Kendrick Lamar]  
It wasn't all to share, but there  
In another life, I surely was there  
It wasn't all to share, but there  
I care, I care Maybe I wasn't there  
Maybe I wasn't there  
Maybe I wasn't there  
Maybe I wasn't there
