

Die On the Floor

Star Scream

Oh tell me baby do you really want to breathe anymore?
And tell me baby are you sure you want to die on the floor?Coz you think that when youre climbing so high,
that your never gonna go out of styleHey now baby tell me why do you love me?
Do you love me?
When Its in your heart and its in your mind, do you love me?
Do you love me?
When it breaks you and makes you wonder why,
It hates you and so you must deny that you love me
Oh you love meOh tell me baby is your heart beating faster than before?
And tell me baby do you need her to get down on the floor?Coz you know then when youre climbing so high,
that youre never gonna go out in styleHey now baby tell me why do you love me?
Do you love me?
When Its in your heart and its in your mind, do you love me?
Do you love me?
When it breaks you and makes you wonder why,
It hates you and so you must deny that you love me
Oh you love meWhen you fight the power, oh you power the fight
But youve got to know that you lose it each and every single timeHey now baby tell me why do you love me?
Do you love me?
When Its in your heart and its in your mind, do you love me?
Do you love me?
When it breaks you and makes you wonder why,
It hates you and so you must deny that you love me
Oh you love me
