

I'll Take Jesus

Sean Tillery & Changed

What does it profit a man
To gain the world and lose his soul (x2)
You can have this whole world
You can have all the silver and gold

I'll take Jesus (x4)
Nothing else will do
I'll take Jesus for mine

Altos: Jesus I'll take him (x6)
For mine

Sopranos: I'll take, Jesus (x3)
For mine

Tenors: You can have fortune & fame
You can have worldly acclaim
I'll take Jesus
Oh I'll Take Jesus
For mine

I'll take Jesus (x4)
