Fly on the Wall

AC/DC

You can dance through the night
Rock roll music itchin' to fight
Makin' love drunk or stoned
Lookin' for dollars get broken-boned
It's a game too tough to tame
Ends up the same, sweatin' out the rain
[CHORUS:]
I was trapped like a FLY ON THE WALL
I was caged like a zoo animal
No escape from the fate that you make
You're a snake, I've had all I can take
So watch out, there's a FLY ON THE WALL
Take a chance take a bite
Rock roll devil take me tonight
Like a bitch makin' heat
Beatin' on my chest, lickin' at my feet
It's a game too tough to tame
Ending up the same, sweatin' out the rain
So watch out there's a FLY ON THE WALL
[REPEAT CHORUS (twice)]
