Wait

White Lion

Wait, wait
I never had a chance to love you
Now I only wanna say I love you one more time
Wait just a moment before our love will die
'Cause I must know the reason why we say goodbye
Wait just a moment and tell me why
'Cause I can show you lovin' that you won't deny
I said, "Wait and show your lovin' like it was before
'Cause I won't let that feelin' walk out through the door"
I said, "Wait just a moment and try once more
'Cause babe I need to hold you like I did before"
So if you go away, I know that I will follow
'Cause there's a place inside, my heart that tells me
Hold out, hold out, hold out oh baby
Wait, wait
I never had a chance to love you
Wait, wait
If only our love could show you

Wait, wait
I never wanna be without you
Wait, wait
No I never had a chance to love you
Now I only wanna say I love you one more time
So if you go away, I know that I will follow
'Cause there's a place inside my heart that tells me
Hold out, hold out, hold out oh, oh baby
Wait, wait
I never had a chance to love you
Wait, wait
If only our love could show you
Wait, wait
I never wanna be without you
Wait, wait
No I never had a chance to love you
Now I only wanna say I love you
No I never had a chance to love you
