Rock and Roll Music

Chuck Berry

Just let me hear some of that
Rock and roll music,
Any old way you choose it;
It's got a back beat, you can't lose it,
Any old time you use it
It's gotta be rock and roll music,
If you want to dance with me,

If you want to dance with meI've have no kick against modern jazz,

Unless they try to play it too darn fast;

And change the beauty of the melody,

Until they sound just like a symphony, That's why I go for that

Rock and roll musicÂ

Any old way you choose it;

It's got a back beat, you can't lose it,

Any old time you use it

It's gotta be rock and roll music,

If you want to dance with me,

If you want to dance with meI took my loved one over cross the tracks

So she can hear my man awailin' sax,

I must admit the have a rockin' band,

Man they were blowing like a hurricaneThat's why I go for that

Rock and roll musicÂ

Any old way you choose it;

It's got a back beat, you can't lose it,

Any old time you use it

It's gotta be rock and roll music,

If you want to dance with me,

If you want to dance with meWay down south they gave a jubilee,

The jokey folks they had a jamboree,

They're drinkin' homebrew from a wooden cup,

The folks dancin' got all shook up

And started playin' thatRock and roll musicÂ

Any old way you choose it;

It's got a back beat, you can't lose it,

Any old time you use it

It's gotta be rock and roll music,

If you want to dance with me,

If you want to dance with meDon't care to hear 'em play a tango,

I'm in the mood to dig a mambo;

It's way to early for the congo,
So keep a rockin' that piano
So I can hear some of thatRock and roll musicÂ
Any old way you choose it;
It's got a back beat, you can't lose it,
Any old time you use it
It's gotta be rock and roll music,
If you want to dance with me,
If you want to dance with me
