

# Never Again (feat. Zaho)

## Trey Songz

When the days are done  
When you and I would take the world on  
Yeah, to the place where no one knows of  
Now I can't stop thinking about you  
I'm a ghost looking for you  
It hurts but it's true That I will never ever see you again  
And I'll never ever hold you again  
In my arms, never ever again,  
And I will never ever feel you again  
But I will always love you the same  
My girl never ever again  
I wish we had a little more luck in love Now you are long gone  
But I still got your birthday card  
Yeah, put a stamp on her address  
Oh now I can't stop dreaming 'bout you  
I'm a lost star without you  
It hurts but it's true That I will never ever see you again  
And I'll never ever hold you again  
In my arms, never ever again,  
And I will never ever feel you again  
But I will always love you the same  
My girl never ever again  
I wish we had a little more luck in love Suddenly it takes me all along  
To the point where it breaks my heart  
Such a major love, never gonna touch again I will never ever see you again  
And I'll never ever hold you again  
In my arms, never ever again,  
I wish we had a little more to look in love  
Never ever again  
Never ever again  
Never again
