You (Rmx) â€“ Raheem Devaugn

Raheem DeVaughn

You
Got me (you)
Thinking (you)
Of you
For you
Got me
Telling my mama (you)
And my friends
All about
You
In my daydreams are
You
Touching (you)
Holding (you)
Kissing (you)
As I'm sweaty with (you)
Came right on time (you)Girl, every word in this song is gonna be about you (repeat)You
Don't stress me
At times you test me (you)
But I pass for (you)
So I promise
I'm not leaving
Only a fool would leave
Or try to deceive
I give me word to
I would die for (you)
Girl, I live for (you)
Said I breathe for (you)
I adore (you)
None but (you)
Came right on time (you)Girl, every word in this song is
Gonna be about you (repeat)I'm so proud
I'm so proud
Girl, every word in this song's
Gonna be about you
To have a lady
A queen who wears a crown
Like youGirl, every word in this song is
Gonna be about you (repeat)At 5:00 in the morning

Every word
Every word
Hey hey
Every word
Every word in this song's
Gonna be about youYou inspire me (repeat)
You
