

# Years from Now

**Don Williams**

Years from now  
Ill want you years from now  
Ill hold you years from now  
As I hold you tonight You are my one true friend  
Always my one true friend  
And Ill love you till lifes end  
As I love you tonight I know this world that we live in  
Can be hard now and then  
And it will be again  
Many times weve been down Still love has kept us together  
For the flame never dies  
When I look in your eyes  
The future I see
