Wasting My Time

Paul Young

I waste my time waiting for answers
When I could have been taking more chances
But why should I try? You'd still pass me by'
All of the time I can't help but hold back
Thinking about the answer you might have
Thinking that I wait for 'goodbye'
Am I waiting for my time or will the sun shine through?
Will it all come to light when I come to know you?
Will you have faith in me, have much more than I do?
Or am I wasting time?
My inner strength is your gift of gladness
Help me to love my permanent sadness
Thinking that I wait for 'goodbye"
Am I wasting my time or will the sun shine through?
Will it all come to light when I come to know you?
Will you have faith in me, have much more than I do?
And will you stay?
