I'm Gonna Miss You

[Kenny Loggins](#)

If you've thought it over and you've made your mind up
You don't want my love anymore
If you're gonna leave and nothing's gonna stop you
And you're absolutely sureI want to try to change your mind or waste your precious time
Or talk you out of leaving tonight
Just don't ask me to pretend, that I'll fall in love again
The minute you walk out that doorI'm gonna miss you, I'm gonna miss
Every touch and every kiss
I'm gonna miss you girl, when you go
More than you'll ever knowI don't know what I will do, don't even have a clue
Can't think that far ahead right now
Do the things you want to guilt should never haunt you
I'll go on without you somehowYou don't have to call again, no I don't need no friend
I could never see you that way
So don't spare me the lie and I'll promise not to cry
Baby, when you walk awayI'm gonna miss you, I'm gonna miss
Every touch and every kiss
I'm gonna miss you girl, when you go
More than you'll ever knowI'm gonna miss you, I'm gonna miss you
I'm gonna miss you
I'm gonna miss you, I'm gonna miss you
I'm gonna miss youI won't try to change your mind, no, waste your precious time
Or talk you out of leaving tonight
Just don't ask me to pretend, that I'll fall in love again
The minute you walk out that doorI'm gonna miss you, I'm gonna miss
Every touch and every kiss
I'm gonna miss you, girl when you go
More than you'll ever knowI'm gonna miss you, I'm gonna miss
Every touch and every kiss
I'm gonna miss you, girl when you go
More than you'll ever knowI'm gonna miss you, I'm gonna miss
Every touch and every kiss
I'm gonna miss you, girl when you go
More than you'll ever know
